PROJECTS

Google Search Page

This my first project to cloning of google home page with the help of HTML, CSS technologies. I made this project just for test my newly developed skills as a web developer.

MSD Tribute Page

This project is a tribute to Mahendra Singh Dhoni (Captain of the Indian Cricket Team). I have created this tribute page with the help of HTML, CSS, and Javascript technologies. I have learned a lot from this project and gained much knowledge and experience.

Registration/Login Form Validation

This project is about Form Validation using Javascript like Registration/login Forms, I have used Javascript, HTML, CSS technologies to build this project, and use Session Storage for Data Storage.

I hereby declare all the above information is correct to the best of my knowledge and belief.
